# Speak out to Save Mexican Wolves!

Public hearings 8/11 & 8/13

---

---

***Only 83 Mexican gray wolves live in the wilds of the Southwest.***

US Fish and Wildlife Service wants to allow more killing, pushing the lobo closer to extinction.

**The wolves' future is being decided *now*.**

***Stand for the Southwest's native wolves at a hearing in August!***

## **Arizona**

**August 11, 2014 6-9 pm**

Hon-Dah Conference Center  
777 Highway 260  
near Pinetop

## **New Mexico**

**August 13, 2014 6-9 pm**

Truth or Consequences  
Civic/Convention Center  
400 W 4th Ave

**We will have snacks and activities for wolf supporters beginning at 2 pm, when USFWS will start taking sign-ups to speak.**

**A sidewalk rally will be held at the Truth or Consequences hearing location.**

**To ensure the lobo's future, save the date and spread the word!**
