

**Okami**  
Okami is Japanese for wolf and a lot of people in Japan are brave. I think that this pup is going to be brave.

Pup Name: Protector

We have to protect the Mexican Gray Wolves in their territory. The wolves are in danger so we should protect them. The wolves in some places keep the rabbit population down. So the wolves keep the population in balance. The name, "Protector" is for protecting the balance of nature. When I hear them howl, it is like music to my ears. It reminds me of how they protect nature.

**Regal**

Regal means to be a "King" or "Queen". I want people to treat wolves with Royalty and Respect. "ALL HAIL THE WOLF"

because we must have faith.  
that they will not be endangered in  
the future! I believe and trust  
We can make this happen!
